## **BOARD OF CHOSEN FREEHOLDERS**

The top governing body in Hunterdon County - the Board of Chosen Freeholders being its exact name - originated in England, dating back to at least the sixteenth century.

"Freeholders" as a term, is unique to New Jersey but it is comparable to similar officials in other states where they are called County Commissioners or Supervisors.

Originally a Freeholder was a person in the British Royal Court who was considered responsible in character or otherwise in favor with the King and therefore a worthy recipient as an owner (holder) of land grants in the new American Colony.

Many years later, on July 2, 1776, just two days before the Declaration of Independence was signed in Philadelphia, the Provincial Congress of New Jersey, met in Burlington and declared its separation from King George and the British Parliament. The meeting provided that qualified voters were to elect various officers under the "hands" (approval) of six Freeholders. By then, Hunterdon had been in existence as a County since 1714.

Legislation in 1798 set the make-up of Freeholder Boards at one elected representative for each municipality. There were ten in Hunterdon at that time. It was not until 1904 that State Legislation allowed smaller Freeholder Boards and a public vote set the Hunterdon County Board with three members. By a vote of the people in 1998, the Hunterdon County Board was set at five members, which is continued to this day.

As top governing officials of Hunterdon County, the five Freeholders are chosen by popular vote in the November general elections. The term of office is for three years and the current compensation is \$16,000 a year, with an extra \$1,000 for the Director.
